

Journey to Samarkand

Visiting the masoleums of the magnificent people is the reflection of the consciousness of the human with the enlightenment. The visit of the teacher and the students to the sacred porches will enable them to feel the sense of spiritual tranquility and gratitude. Associate Professor Nusratillo Toshpulatov, Head of the group 210 of the department of "Power Supply and Renewable Energy Resources" of faculty ESWRA with his students visited the Samarkand.

Initially, the beginning of the journey started at the Imam al-Bukhari complex. The students got acquainted with the life and work of the museum located at the temple and at the tomb of Imam al-Bukhari. Students also got acquainted with Doniyol Temple, Amir Temur Mausoleum, Registan Square, Islam Mosque, Shakhizinda and Mirzo Ulugbek Observatory.
